

DWD XP Agantis

the
latest design option
for **double-wall drawers**

from **G* GRASS**

The star in your cabinet

The clean square lines of DWD XP Agantis drawer sides with their touch proof double-coated matt surfaces in champagne are available in the standard heights of 95 mm and 127 mm. The double-wall steel drawers with their bold lines can be supplemented with rectangular railing or Agantis 8mm glass top. The flush-mounted cover caps round off the final look, highlighting the puristic style of this designer item.

Available in:

- Drawer sides H 95 H 127
- Agantis Top glass holder (8mm)
- Rectangular side railing
- Magic Optima internal organizing system
- Magic Sorto cutlery drawer expandable organization trays

Compatible with:

Sensomatic

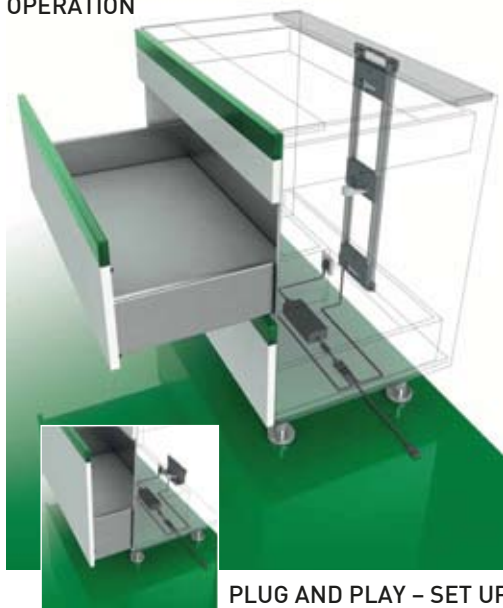

electro mechanical opening system for drawers

G* GRASS

The star in your cabinet

LOW VOLTAGE
OPERATION

PLUG AND PLAY – SET UP

Two devices in one: The electro-mechanical opening system and soft close the mechanical damping system- Comfort with a fascinating twist: it is enough to lightly touch or pull – and the drawers will open as if by magic. Fully automatic opening, electrically powered. The action is even, precise and elegant as well as frugal in both space requirement and power consumption.

The closing action is smooth quiet and reliable – Can be used on multiple drawer systems as Sensomatic mounting is completely separate from the drawer boxes.

opening unit - 1 per drawer up to 1200mm wide

Spring loaded front buffer

power supply – runs up to 30 opening units

frame fixing brackets & frame connectors

Frame sides with built in cable – can be cut to size

Mains cable

Please note: components shown are for 1 multiple drawer cabinet – a connection cable is required to operate multiple cabinets

Various mounting positions are possible depending on the application required. See detailed technical brochure for SENSOMATIC on www.nikpol.com.au or ask our friendly sales staff for assistance.
