# Nikpol Bin Product Care

Requirements for maintenance.

---

**For maintenance**  
we advise:

---

It is recommended that all Nikpol Bins is to be maintained with a soft cloth. We suggest you use mild soap and rinse with water and gently wipe dry with a clean cloth over any interior and/or exterior surfaces.

For more tenacious stains, use a little warm vinegar, normal cleaning products not containing abrasive powders or water and alcohol diluted in equal parts.

Please **DO NOT** use any of the following to clean hardware surfaces:

- Abrasive or harsh cleaners, such as hydrochloric acid or bleach or any cleaning product with ammonia
- Products containing abrasive powders, diluent and acetone.
- Metal scouring pads

These products can scratch, crack and discolour your hardware surfaces

Please note: All Nikpol Bins must be cleaned by hand
