

AP-5SB892SE0AU Side by Side Fridge

Features & Benefits

Design

- Freestanding
- Dark steel design
- Handle less design
- Separate temperature control for refrigerator and freezer compartment
- Fully automatic defrosting in the refrigerator compartment
- Easy-to-clean, bright interior
- LED interior lighting
- Electronic temperature control readable via LED
- Water dispenser with water tank

Refrigerator compartment

- 367 litres usable capacity
- 3 safety glass shelves, 2 of which are height-adjustable
- 4 door shelves
- Egg tray
- 3 Transparent storage drawers

Freezer compartment

- 225 liters useful capacity
- 3 safety glass shelves, 2 of which are height-adjustable
- 3 freezer drawers
- No Frost
- Freezing capacity: 13 kg in 24 hours
- Storage time in case of malfunction: 11 hours
- Super freezing

Specification

Dimensions

Appliance:
H1770x W910 x P730mm

Equipment Feature

Front color: Darksteel
Type: Floor standing
Temperature control: Electronic / Digital
Power cord length (cm): 150

Weight

Net: 90kg
Gross: 100kg

Efficiency Rating

Energy: 4 stars

Type

Freestanding

Net Capacity

592 L

Consumption

- Electric connected load (W): 196W
 - Voltage (V): 220-240
 - Frequency (Hz): 50
 - Power source: Electric
 - Energy-Class: 4 Star
 - Energy Consumption: 442 kWh/year
 - Net Volume total: 592l
 - Noise Level: 39dB (A) re 1 pW
 - Climate Class: T
 - Power Input: 220 – 240 V / 196 W
- 1)Based on the results of the normal testing over 24 Hours. Actual consumption depends on use/location of the unit.
