DTC dragon pro tilt adjust

dragon pro

The stunning DTC Dragon Pro, available in 6 heights and 3 finishes, silk white, matt black and matt grey is a slimline drawer system designed with perfect unity and functionality. The system, especially with the clean design on the double-wall profile and the dividing elements, creates space saving and practicality in your modern-day kitchen. A perfect mix of function and fashion.

This drawer system offers quick and easy assembly with tool-free removal of drawer from the runner. Its concealed runners and different profile heights, thereby removing the need for gallery rails, give it a sleek appearance. Internal side, height and tilt adjustments are provided, along with a built-in soft closing mechanism for added convenience. Available in stylish colors including silk white, matt black and matt grey, it combines practicality with modern design.
