Rapid

### Energy Source

Electricity

## Specification

### Dimensions

Appliance:  
H845 x W600 x P598mm

### Material

Tub: Stainless steel  
Filter: Plastic and stainless steel  
Inner container: Stainless steel

### Spray Arms

2: Upper & Lower

### Basket

Standard basket

### Cup Shelf

1

### Weight

Net: 40kg

### Type

Freestanding

### Finish

Silver

### Control

Electronic control

### Display

Red LED indicator

### Efficiency Rating

Energy: 3 stars  
Water: 4.5 stars

## Connection

- Voltage: 220-240 V
- Frequency: 50 Hz
- Water consumption: 10.5 L
- Device color: Silver
- Energy Source: Electric
- Gross weight: 45.5kg
- Dimensions of the device: 845 x 600 x 598mm
- Height adjustable feet: Yes
- Connection cable: 150cm
- Inlet hose: 150cm aqua-stop
- Drain hose: 150cm
- Water heater: Yes
- Heat element power: 230V/1800W
- Sound power: 49dB

## Accessories
