

AP-5688

6 LGHEB LGHUL GEH

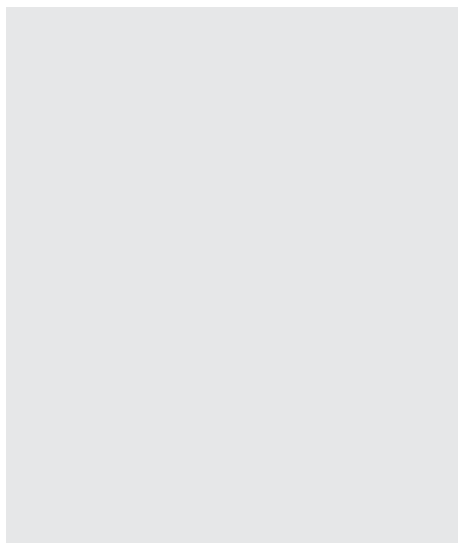

Features & Benefits

• Design
 • Standalone
 • Stainless steel design
 • Handleless design
 • Separate temperature control for refrigerator and freezer compartment
 • Fully automatic defrosting in the refrigerator compartment
 • Easy to clean interior
 • Interior lighting
 • Electronic temperature control readable water dispenser with water tank

• Refrigerator compartment
 • 33 litres usable capacity
 • 3 safety glass shelves 2 of which are height adjustable
 • Door shelves
 • Tray
 • 3 transparent storage drawers

• Freezer compartment
 • 225 litres usable capacity
 • 3 safety glass shelves 2 of which are height adjustable
 • 3 freezer drawers
 • Frost-free
 • Freezing capacity: 13 kg in 24 hours
 • Storage time in case of malfunction: 11 hours
 • Superfreezing

Specification

Dimensions

Appliance:
H815 x W598 x D550mm

Material

Inner container:
Stainless steel
Tub: Stainless steel
Filter: Plastic and stainless steel

Spray Arms

3: Upper & Lower & Top

Cutlery

Cutlery drawer

Cup Shelf

1

Weight

Net: 31.5kg

Type

Built-in / Integrated

Control

Electronic control using push buttons

Display

Red and white LED indicator

Efficiency Rating

Energy: 3.5 stars
Water: 4.5 stars

Connection

- Voltage: 220-240 V
- Total connected load: 6 kW
- Frequency: 50 Hz
- Water consumption: 12.7L
- Device color: Silver
- Energy Source: Electric
- Gross weight: 37kg
- Dimensions of the device: 890 x 645 x 645mm
- Height adjustable feet: No
- Connection cable: 150cm
- Inlet hose: 150cm aqua-stop
- Drain hose: 150cm
- Water heater: Yes
- Heat element power: 230V/1800W
- Sound power: 49dB
- Panel ready: Yes
- Connection Type: Hardwired
